

Industrie Service

CERTIFICATE

The Certification Body - 0036 -
of TÜV SÜD Industrie Service GmbH

certifies that

ACRONI d.o.o.
Cesta Borisa Kidriča 44
SI-4270 Jesenice

has implemented, operates and maintains a

**Quality Assurance System in accordance with the
Pressure Equipment Directive 97/23/EC, Annex I, Section 4.3,
AD 2000-Merkblatt W 0 / TRD 100 as well as EN 764-5, Para. 4.2**

as a material manufacturer for the scope of

plates, coils, sheets cut from coils and slabs
of ferritic, austenitic and ferritic-austenitic steels.

The scope of the approval is described in the annex to this certificate.
Further details are mentioned in report no. R-TSS-IS-16-11067.1.

The manufacturer is therefore authorized to issue certificates of specific product control within the scope of the assessed quality system and in accordance with the Pressure Equipment Directive 97/23/EC. Possible additional requirements - specific to applied technical specifications to meet PED Annex I - are not affected.

This certificate is valid through May 2019.

In order to adhere the validity an annual surveillance audit is required.

The validity of this certificate is connected to a valid certification in accordance with
ISO 9001:2008.
