Statement

In compliance with the European legislation related to materials in contact with food

We declare:

- that the material (Stainless Steel 304L/1.4307, 321/1.4541, 316 L/1.4404 and Stainless Duplex Steel S32205/1.4462) produced in SIJ Acroni d.o.o. complies with **European regulation (EC) No. 1935/2004/materials in contact with food,**
- that this material under normal or foreseeable conditions of use, do not transfer its constituents to food, in quantities, which could endanger human health or cause an unacceptable change in the composition of the food or a deterioration in its organoleptic characteristics.

We also ensure that our manufacturing operations are carried out in accordance with:

- the general rules on good manufacturing practice (**GMP**) as provided for in Article 5, 6, and 7 in **COMMISSION REGULATION (EC) No 2023/2006 of 22 December 2006 on good manufacturing practice for materials and articles intended to come into contact with food,**
- the detailed rules on **GMP** as set out in the Annex of **(EC) No 2023/2006.**
